Newsletter.

ArmCoil is proud to announce that after months of dedicated hardwork we are now an ISO14001 accredited Manufacturer and Repair Company which also conducts On-site Services across RSA and Africa.

Achieving this internationally recognised standard is only the start of our pursuit to achieve the very highest standards for ArmCoil's business practices.

ArmCoil will continue to implement these practices for the benefit of our employees, customers, suppliers and communities we operate in.

OUR NEXT GOAL SANS OHSAS 18001

Mission statement from MD (Mr Peter Flint)

ArmCoil is committed to protecting the environment, health & safety of our employees, customers and the global communities in which we operate in.

ArmCoil recognises that by intergrating environmental, health and safety management practices into all aspects of our business, we can offer products and services while conserving and enhancing resources for future generations.

ArmCoil strives for continuous improvement in our environmental, health and safety management systems and in the environmental quality of our products, processes and services.

OUR NEXT GOAL SANS OHSAS 18001
